AS-4 DRINK IN THE VIEW

Farmed on owner Jess Jackson's home estate vineyards in the Alexander Valley at elevations ranging from 900-2200 feet above sea level, this limited production wine is a mouth-watering treat for collectors. A rare nine liter, one of only five produced, the 2006 Kendall Jackson Highland Estates Hawkeye Mountain Cabernet Sauvignon is the highlight of this lot.
While you are waiting to drink this special bottle, enjoy a limited edition framed artwork of the Sentinel Oak that sits high above Alexander Valley on the Hawkeye Mountain Estate. Photographed by George Rose, it encapsulates the four seasons of the vineyard; a breathtaking view to "drink in".
