306 POETRY FROM LEDE FAMILY

As you enter into the heart of the Napa Valley on the scenic Highway 29, a striking sign greets visitors with a quote from famous poet Robert Louis Stevenson, "... and the wine is bottled poetry." When Cliff Lede purchased a steep hillside vineyard in the Stags Leap District, he took a cue from Stevenson and named the vineyard "Poetry."

330 RIEDEL SOMMELIER BORDEAUX

Riedel Sommelier Bordeaux Glasses – 8 glasses
This glass, first created in 1959, is not a design gimmick but a precision instrument, developed to highlight the unique characteristics of the great wines of Bordeaux. The large bowl (capacity 30 oz) brings out the full depth of contemporary wines made from Cabernet Sauvignon, Cabernet Franc and Merlot. The Sommeliers Bordeaux Grand Cru gives breathing space to both young and more mature wines, unpacking the various layers of bouquet and delivering a full spectrum of aromas. On the palate, the texture of the wine - soft, silky, velvety - is intensified and the finish prolonged, gently blending acidity with supple, sweet tannins. This is a glass that showcases these majestically structured red wines in all their complexity and finesse.

345 MARK HEWITT POTTERY

Mark Hewitt is a renowned potter who produces functional, woodfired pottery using local North Carolina stoneware clays. In 1983 he moved to Pittsboro, NC and set up their pottery. Mark built a very large wood kiln and began making the distinctive functional pots for which he is known, specializing in very large planters and jars, along with finely made smaller items. He uses local clays and blends the different North Carolinian folk traditions together into a contemporary style that has attracted a sizeable following. Mark’s work has been featured in the Smithsonian magazine and on the cover of American Craft magazine. He has written extensively in the ceramic press, and he has exhibited in London, New York and Tokyo, as well as throughout the US. He is well-represented in museum and private collections.

370 RIEDEL SOMMELIER BURGUNDY GLASSES

Set of 8 Riedel Sommelier Burgundy Grand Cru Glasses

This glass was described by Decanter magazine as “The finest Burgundy glass of all time, suitable for both young and old Burgundies.” Its shape, developed in 1958, represented a quantum leap in terms of wine glass design - and has earned it a place in the permanent display of the New York Museum of Modern Art. This ‘beautiful monster’ of a glass can take apart a lesser wine, mercilessly showing up its weaknesses. But a great wine - a top-class Burgundy, Barolo or Barbaresco - will be revealed in all its glory. The large bowl allows the bouquet to develop to the full, while the slightly flared top lip maximizes the fruit flavors by directing a precise flow onto the front palate. Certain wines and grape varieties require this type of controlled delivery. By ensuring that the fruit is highlighted while using the marked acidity of the wine to keep the flavors in balance, this is a glass that produces a superbly three-dimensional ‘taste picture’.

390 **BEN KNIGHT PAINTING**

Artist Ben Knight has taken quite the journey to reach where he is today. Drawing influence from his background as an athlete, his years painting in New York City and his current job running Chef & the Farmer with his wife, Vivian Howard, his art has gone through several iterations. But he's happier with it now than he has ever been. Since moving to Kinston, North Carolina almost 10 years ago to start the restaurant, Knight has been running the front of the house and business side. But his day job hasn't always been kind to his artwork. Yes, the restaurant gives him a place to sell his work and provides a ton of inspiration. But it also cuts into his time working in the studio. Through it all, though, Knight has been able to adjust.

403 CATERED WINE PAIRING

Raleigh Wine Shop + Donovan's Dish combine to offer a 3 course dinner and wine pairing for 10

AN EVENING WITH YOUR OWN PRIVATE CHEF & TEAM OF SOMMELIERS

Enjoy an evening at The Raleigh Wine Shop in downtown Raleigh with the team from Donovan's Dish as these two heavyweights of the Triangle food and wine scene combine forces to create a custom experience for you and your party up to 10.

The owners of The Raleigh Wine Shop, featured in Food & Wine magazine as one of the top 25 wine destinations in the country, will act as your personal sommeliers for the evening and help you select wine from their inventory, and maybe a special bottle or two from their personal collections. They will be on hand to guide you through a tasting of these select wines.

While The Raleigh Wine Shop takes care of the wine, your private chef and server from Donovan's Dish will create a three course small plate meal made from fresh and locally sourced ingredients to match the wine throughout this personalized experience. Renowned for their made from scratch foods and stunning displays, they have redefined expectations for what catering can be.

The fine print: Please contact The Raleigh Wine Shop to schedule the time and date of your private event. Booking dates contingent on the availability of both Donovan's Dish and The Raleigh Wine Shop. Must be redeemed by November 30th 2017.
