BEN KNIGHT MASTERPIECE

Artist Ben Knight has taken quite the journey to reach where he is today. Drawing influence from his background as an athlete, his years painting in New York City and his current job running Chef & the Farmer with his wife, Vivian Howard, his art has gone through several iterations. But he's happier with it now than he has ever been. Since moving to Kinston, North Carolina almost 10 years ago to start the restaurant, Knight has been running the front of the house and business side. But his day job hasn't always been kind to his artwork. Yes, the restaurant gives him a place to sell his work and provides a ton of inspiration. But it also cuts into his time working in the studio. Through it all, though, Knight has been able to adjust. Painting by renowned artist Ben Knight entitled "Blue Purpose" 36"x 44"

306 **BLACK BY BLACK**

For decades, Tom Black has built a reputation among wine connoisseurs for his amazing palate and impressive knowledge about wine (evidenced by his inimitable cellar). But what you may not know is that he has taken those talents and put them into production with his proprietary label, Black by Black.

The project was collaboration with the legendary Jim Clendenen (of Au Bon Climat fame), a friend of Tom's in wine and in life. With these two industry giants at the wheel, you can be sure this wine, a red Bordeaux style blend produced in Santa Barbara, California, is nothing short of spectacular.

375 BEST WINE GLASSES IN THE WORLD
The moment you lift a Zalto wine glass, you get a sense that this is special stemware. Mouth-blown, lead-free and dishwasher-safe wine glasses, the ZALTO DENK'ART Collection, luxury stemware you could sense from your fingertips to the moment you take your first sip.
From the perfectly executed balance to the extraordinary design, the achievement of the Denk'Art line of glasses is that they seem nearly too delicate to hold, and yet they are made for just that. This is glassware that stands at the rarefied point where form meets function. This is art.
The development of the Denk'Art series was influenced by the earth in accordance to the tilt angles of the Earth. Thus, the curve of the bowls are tilted at the angles of 24 degrees, 48 degrees and 72 degrees.

395 CATERED WINE PAIRING

DEL(ish)OUS PRIVATE FOOD & WINE PAIRING

Enjoy a special evening at The Raleigh Wine Shop in downtown Raleigh as Matt Fern and Seth Hoffman are reunited to create a custom experience to be remembered for you and your party of up to 10 people.

About Your Hosts

These fixtures in the Raleigh wine and hospitality scene came up in the business working together at a local wine shop. Between deep discussions on wine, Matt schooled Seth on the proper construction of the classic 'mater sandwich while Seth waxed philosophic on the density of matzo balls from the best deli's in his hometown of NYC (they should float!) before they each followed their own path.

About the Menu

Although Matt came to the restaurant business from the beverage side, you can't work with great chefs without being inspired - especially when you have a passion for food. Matt will create a menu inspired by his upcoming project - (ish) delicatessen - a Raleigh restaurant that will take from the Jewish and Italian delicatessen traditions.

About The Wine

Seth Hoffman and the staff of The Raleigh Wine Shop, the Triangle's award winning wine shop featured in Food & Wine magazine as one of the top 25 wine destinations in the country, will act as your personal sommeliers for the evening and help you select wine from their inventory, and maybe a special bottle or two from their personal collections and no doubt, Matt will chime in with his thoughts as well. They will all be on hand to guide you through a tasting of these select wines.

Please contact The Raleigh Wine Shop to schedule the time and date of your private event. Booking dates contingent on the availability of the The Raleigh Wine Shop and Matt Fern. Must be redeemed by November 30th 2018.

Pantofola Passeggiata Bag Cielo - The Passeggiata Bag is a beautiful and clever crossbody crafted from buttery soft Italian leather and our signature solid brass hardware. While it's perfect for any occasion when you need to carry only the essentials, it's especially adept at simplifying things if you happen to take your dog along with you. At just 8 by 7 inches when closed, the contents are easily accessible with one hand if the other is busy managing a leash. Mobile phone, cards/cash, keys, treats, and the all-important doggie pickup bags are available in a flash without fighting zippers and complicated fasteners. A super soft premium waterproof lining with interior pocket is easy to keep clean, and the light off-white color minimizes frustration when looking for something inside. Passeggiata is a true testament to the fact that including a dog in your busy life doesn't require sacrificing luxury and style.
