380**LUCA PERONI ARTWORK - "PAESAGGI LUNARI"**

Luca Peroni's enormous dedication for oil paintings acts as a springboard towards innovative creations, studies of matter, and tones. With imagination and creativity inherent in his work in design and photography, he reinterprets existing work by testing the impact of specific elements.

The rearrangement of glass, the reuse of demolition material, the use of "Bricole," of lichens and of metals make his creations unique works. Art for Luca involves amusement, colour, sensation and emotion. He will always be up for finding novel, innovative and original solutions.

BEACH BUM NATION BY BEN KNIGHT

Artist Ben Knight has taken quite the journey to reach where he is today. Drawing influence from his background as an athlete, his prior years painting in New York City, and his current job running Chef & the Farmer with his wife, Vivian Howard, his art has gone through several iterations. But he's happier with it now than he has ever been. Since moving to Kinston, North Carolina almost 10 years ago to start the restaurant, Knight has been running the front of the house and business side. But his day job hasn't always been kind to his artwork. Yes, the restaurant gives him a place to sell his work and provides a ton of inspiration, but it also cuts into his time working in the studio. Through it all, though, Knight has been able to adjust.

PIZZA PARTY IN WILMINGTON

Benny's Big Time Pizzeria in Wilmington is what the name suggests - big, fun, tasty and Italian. It's the perfect place to bring your family and the perfect place to share a meal and perhaps some drinks without your family. Italian food makes people happy. Benny's Big Time takes happiness to the next level. This auction lot entitles you to pizza party/class during the day at Benny's for 6-10 people. Guests can learn how to make, ferment and stretch dough. Then they can build their own pizzas and cook them in the wood oven. This sounds like FUN!
