304 LUCA PERONI ARTWORK “PAESAGGI LUNARI”
Beautiful art work by Luca Peroni entitled “Paesaggi Lunari” (“Moon Landscape”)
Luca Peroni’s enormous dedication for oil paintings acts as a springboard towards innovative creations, studies of matter, and tones. With imagination and creativity inherent in his work in design and photography, he reinterprets existing work by testing the impact of specific elements. The rearrangement of glass, the reuse of demolition material, the use of “Bricole,” of lichens and of metals make his creations unique works. Art for Luca involves amusement, colour, sensation and emotion, and he will always be up for finding novel, innovative and original solutions.

437 BEN KNIGHT PAINTING

Titled "Unknown to Myself" 50"x54"

Artist Ben Knight has taken quite the journey to reach where he is today. Drawing influence from his background as an athlete, his years painting in New York City and his current job running Chef & the Farmer with his wife, Vivian Howard, his art has gone through several iterations. But he's happier with it now than he has ever been. Since moving to Kinston, North Carolina almost 10 years ago to start the restaurant, Knight has been running the front of the house and business side. But his day job hasn't always been kind to his artwork. Yes, the restaurant gives him a place to sell his work and provides a ton of inspiration. But it also cut into his time working in the studio. Through it all, though, Knight has been able to adjust.
